

# FORMALAMERICA®

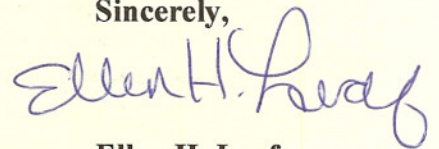

World Class Tuxedos & Accessories Since 1950.

To whom this may concern,

6-6-00

Brian Alexander and the team members of **Builrite Construction** were hired to do the construction and cosmetic work for several of our **Formal America** stores. Each time we have been most pleased with the quality and accountability from conception to completion of the project. We will continue to work with **Brian** and **Builrite Construction** for all of our future projects.

Sincerely,

**Ellen H. Leaf**

**Market Director  
Formal America Atlanta**
